

# FALL FOR THE FLAVORS OF THE SEASON

It's beginning to feel a lot like Fall in Sonoma County! Along with crisp mornings and falling leaves, the flavors of Fall arrive with warmly spiced treats like pumpkin pies and cinnamon-laced apple cider. The chilly evenings call for hearty meals, and bring new appeal to roasted vegetables, creamy soups, and slow-cooked stews, each dish rich with earthy, savory flavors. Whether it's baking pies or simmering stews, it's the season to embrace the cozy, earthy flavors of Autumn's bounty.
