750 ml. Bottle. "We couldn't be more excited to introduce our latest product from the Oliver's Own line...Vodka! While vodka can be somewhat neutral in flavor and aromatics, we feel we've created a product that is so much more! Made from 100% grain, this beauty is brimming with floral aromatics, followed on the palate with blue fruit tones, and subtle spice. Finishing incredibly crisp and clean, this gem defines the term "overdelivers". Enjoy!!"
