JASPER HILL FARM HARBISON \$29.99/LB.

“Hailing from Vermont, Jasper Hill Farm’s Harbison is a soft-ripened cows’ milk cheese wrapped in spruce bark harvested from the woodlands of Jasper Hill. Over time, the bark imparts hints of wood into the paste of the cheese. The result is a flavor profile that’s slightly sweet, vegetal, with woody nuances throughout. When ripe, remove the top rind and you have a very luscious spoonable paste perfect to enjoy with friends and family.”

OG KRISTAL \$25.99/LB.

One of our favorite goudas, this powerhouse of a cheese boasts plentiful cheese crystals throughout the stunning orange paste. Although dry and flaky in texture, it melts like butter once it hits the palate. The flavor consists of warm notes of butter-scotch and caramel.

POINT REYES TOMA \$17.99/LB.

With a creamy semi-soft texture, a mild and milky flavor, and a gentle tang on the finish, Point Reyes Farmstead Cheese Company's Toma is a versatile table cheese with limitless potential. Serve on a cheese and charcuterie board, enjoy as a snack, or melt it into your favorite dishes
