**MEET THE FISHERMEN
WHO BRING FRESH, LOCAL, DUNGENESS CRAB TO OLIVER'S**

This week at Oliver's, we're celebrating the arrival of local, fresh Dungeness Crab from the Tides Wharf. While changes in the season make the arrival time a little later than it used to be, it does not change the opportunity to savor this local treasure. When we support local Dungeness Crab, we support all of the hardworking people who catch and transport this delicious treasure. It takes years of experience and dedication, often passed from generation to generation, to make it happen. Supporting Tides Wharf and their team of fishermen supports Sonoma County and our way of life.
